Connel, in respect to the maintenance of a child who was deserted and stating that unless the expenditure was incurred by direction of the Relieving Officer, the payment by the Guardians would be illegal and could not be sanctioned by the Board.

Mrs. Connel is entitled to some remuneration and the L.G.B. are requested to sanction the payment of the sum proposed by the Guardians.

Letter no 12247, date 23rd March 16, relative to the proposal of the Guardians to pay a sum of Four Pounds per annum to the Porter of the Whouse in lieu of his suit of uniform and stating that as the clothes are allowed for the purpose of enabling the Porter to maintain a respectable appearance as an officer, who frequently comes in contact with the public they are not prepared to assent to the proposal as a permanent arrangement.

The Guardians wish to point out that the Porter's predecessor was allowed money in lieu of his annual suit of clothes and they consider the present Porter entitled to the same privilege. Clerk of Union.

The Master's Estimate of Provisions and Necessaries required for the ensuing Week was examined, and was duly made for the several Articles, namely specified:—

256 lbs. White Bread,	lbs. Pepper,
8 lbs. Butter,	Herrings,
29 lbs. Beef,	doz. Eggs,
8 lbs. Indian Meal, <i>mutton</i>	lbs. Tobacco,
lbs. Oatmeal,	lbs. Salt,
qts. Buttermilk,	lbs. Candles,
lbs. Bacon,	lbs. Blue,
4 lbs. Barley, <i>Grups.</i>	cask Oil,
lbs. Tea,	lbs. Soap,
lbs. Sugar,	lbs. Washing Soda,
Beef Heads,	lbs. Starch,

of vegetables.

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

Ordered that tenders be invited for unweaving and distemping the workhouse and for the annual supply of boards.

The Master reported that owing to the admission of two fever patients he was obliged to employ a temporary wardmaid, on the recommendation of the Medical officer, at 10/- per week and rations approved.

The Master's action was also approved of in employing a man for a few days to work on the farm, at 2/6 per day.

The Report of the Visiting Committee was read, and Orders given them as follows:—

The following Letters from the Local Government Board for Ireland and others, were read by the Clerk, and directions given him to answer them respectively, to the following effect (or, orders made on them respectively), as follows:—

Letter no 16 708 date 12th May 1916
relating to the proposal to grant a sum of £ 4 a year to the porter of the Workhouse in lieu of a sack of clothes and stating that having regard to the concession made to Mr Quinn's predecessor the Board will raise no further objection in the matter.

The Clerk submitted the letters from Doctor Johnston and Merrigan declining to accept the reduced fee of £ 1.1.0 for consultation in dispensary cases, as proposed by the guardians.

In connection with this matter Mr G. B. wrote under date 19th May no 22249, pointing out that a proposal to alter the scale of fees for extra professional assistance rendered to the medical officers, should be considered after notice of motion, and also after consultation with the medical officers.

No action was taken in the matter.

The resolution of the Athlone Union, advocating the holding of 'yearly' instead of half yearly audits, was left with the L.G.B. to deal with.

Read Letter from L.G.B. date 14th May 1916, respecting the Daylight Saving Scheme and the Summer Time Bill which has now received the Royal assent.

The Clerk stated that he had got the printed notices, which accompanied this letter prominently displayed in the terms of the letter, regarding the clocks of the Workhouse, have been complied with.

Mr James W. Blay⁹ contractor for Sugar, wrote requesting to be allowed the extra duty of 4/8 per cent in this article.

Similar applications have arisen in other Unions and the L.G.B. have referred the matter to the Law Officers of the Crown, who have now given the following opinion:
(1) that the Contractor is entitled to charge the full duty
(2) that he is so entitled when his contract binds him to deliver (though it does not bind the other party to receive) the sugar.
The increased price made by the Sugar Commission need be regarded as ordinary market fluctuations and the Contractor is not entitled to any additional payment in respect of them.

It was agreed to allow Mr W. Blay the extra duty claimed.

Letter from L.G.B. no 18 009, date 30th May 1916 stating that the inmates of the Workhouse, including those acting as attendants, must be dieted as set forth in the prescribed dietary table and in no other manner.

The Board are surprised to learn that all the healthy inmates, with the exception of the children, are now classed as attendants. The inmates should be properly classed under the headings set out in the dietary table and only those whose whole time is occupied in some particular duty should be classed as attendants.

Resolved " that the additional meal be allowed the aged and infirm classes, as these people as engaged in useful works and complaints have been made by them that a quantity of bread for the dinner meal is not sufficient.
that the classification be revised under the proper headings, this has now been done.
The Guardians regret not having given the new dietary

10
deetary table consideration, as it was merely laid before them for adoption, otherwise they would not have consented to it as has now been explained to them

medicines & appliances ordered for whouse

The clerk stated that in connection with the new deetary table he had received, an account amounting to £19 for books supplied in carrying out the table, and these books would only last about one year.

The Guardians were of opinion that they had no alternative but pay the account and expressed regret at adopting the scale.
