Muster Rolls

Co. Donegal

1630

1630

Muster Rolls: These are lists of large landlords in Ulster, and the names of the able-bodied men they could assemble to fight if the need arose. They are arranged by county, and by district within the county. The Armagh County Museum copy is available in the National Library (Pos. 206). Published lists are noted under the relevant county in Chapter 12, along with later lists in the Public Record Office of Northern Ireland.
