The Clerk stated that as Miss Nesorn had left on 29th Decr. the forms had been sent on to her at her present address and that he had written to the L. G. Board for sanction of the money allowance of 9/3⁴ per week in lieu of rations.

Approved

Read letter from the L. G. Board, dated 4th January, 1916, No 68820/1915, forwarding copies of two letters sent to them by Mr. Charles McKeever, Step-father of the child Willie Giller, boarded-out from the Workhouse and requesting the Guardians' observations respecting the case

Resolved that the L. G. Board be informed that the Guardians do not wish to be party to giving the child Willie Giller to Chas. McKeever, unless he has a legal right to him, that McKeever who is a hawkers is a great deal away from home pursuing his business and has no woman in his house to look after the boy whom he would probably hire out soon to the neglect of his education. That the boy is in a suitable home at present and in regular attendance at school.

Read particular letter from the L. G. Board, dated 31st January, 1916, No 3/M/1916 relative to relief to British born wives and children of interned aliens and other destitute aliens.

No such relief given here.

Read letter from the L. G. Board, dated 7th January, 1916 No 69495/1915 forwarding for the observations of the Guardians a letter received from Mr. Jeremiah O'Fallaghan relative to the tender accepted by the Guardians on 27th ult. in connexion with the bread contract and asking for a copy of the advertisement.

After considerable discussion and having heard a statement from Mr. H.S. O'Donnell, the contractor, on the subject. The Guardians decided that the action of the Board on 27th ult. was legal, as they had been warned against the consideration of late tenders and on the motion of Mr. Scott it was ordered that in future the tenders be taken from the Tender Box at Eleven o'clock, and left on the Chairman's desk.

Mr. James Doherty repudiated some of the statements attributed to him in Mr. O'Fallaghan's letter.

Read letters from Mr. Francis McDaid, R.O., and Mr. Philip Doherty, D.F., Gibril, dated 6th and 7th January 1916 respectively acknowledging the vote of sympathy passed by the Board on Mr. McDaid's death.

Mr. Cole drew attention to statements reported through the country regarding the extravagant consumption of fuel in the Workhouse and on his motion a committee consisting of Messrs P. McConalogue, John Scott, J.P. McIvor, F. J. Cole, and Dr. O'Fallaghan Workhouse Medical Officer was appointed to go into the fuel consumption on 18th inst at 2 o'clock and see whether any economy can be effected. The master to prepare a statement of the turf distribution at present.

The Clerk drew the Guardians' attention to an intimation from the Auditor of his intention to review the practice of allowing rations ~~in~~ money in lieu thereof to officers while on holidays.

Mr. Scott moved and Mr. McConalogue seconded that in future no rations shall be given and no money allowance

in lieu thereof paid to any officer of the Workhouse with respect to the time during which he or she is on holidays.

Mr. Cole moved as an amendment which was seconded by Mr. Kearney that no change be made as the rations or ration money have always been regarded as part of the emoluments to which the officers were entitled.

After discussion the amendment was withdrawn and the motion adopted.

MINUTES of Proceedings of the Board of Guardians, at a Meeting held on MONDAY,
the 10th day of January 1916 under the Medical
Charities Act.

PRESENT—In the Chair, *Mr. John Scott*
Other Guardians :— 13

The Medical Relief Registers, Vaccination Registers and Report Books of the
Medical Officers of the _____ Dispensary Districts
were examined, and directions given thereon, as follows :—

An Estimate of Medicines, &c., required by the Medical Officer of

Dispensary District was laid before the Board, and directions given thereon, as
follows :—

Reports (Form P, containing the names of Children born in the District who are
over 3 months of age and have not been vaccinated) from the Medical Officers of the
following Dispensary Districts, viz. :— *Buncrana (71 cases)*

were laid before the Board, and directions given thereon, as follows :—

*That defaulters be prosecuted after the
lapse of 4 weeks*

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and orders given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

With reference to the letter of the L. G. Board of 14th Decr, 1915, N^o 61230, respecting 3 items on the Glonmany Medicine Invoice of 24th August 1915 which they said were apparently not supplied though ordered and paid for.

Dr. Doherty, Medical Officer Glonmany wrote stating that the 3 items referred to had been supplied and they were duly entered in the duplicate invoice filed at the dispensary and one of the items had been reported on by the Analyst.

Read letter from the L. G. Board dated 23rd Decr, 1915 N^o 67639 stating that the duty of prosecuting in cases of default under the Vaccination Acts is usually assigned to clerks of Unions or Relieving Officers as there are obvious reasons why it should not be imposed on the Medical Officers.

After considerable discussion, in the course of which it was pointed out that the advertisements in connection with the appointment of the several Medical Officers contained a clause requiring them to conduct prosecutions under the Public Health and Vaccination Acts, following the advice given in the Law Officers' opinion which accompanied the circular of the L. Govt Board, dated 27th April 1877 relative to the representations of Guardians at Proceedings at Petty Sessions, it was decided on the motion of Mr. McConalogue, seconded by Mr. Edward Kearney that the several Dispensary Medical Officers in the Unions be directed to prosecute the Vaccination defaulters in their respective districts as referred to in the L. Govt Board letter of 17th Novr, 1915 N^o 60412/1915.

On the consideration of a resolution from Mountmellick Board of Guardians regarding conscientious objection to vaccination it was unanimously decided on the motion of Mr. McEvoy seconded by Mr. Scott to reply that this Board is strongly in favour of vaccination, efficiently carried out, and consider that the Acts should be enforced in Ireland. There is very little objection in this Union.

Correspondence re Analysis of Drugs.

The Report of the Analyst on the Samples of Drugs forwarded from
 *Buncrana* Dispensary, out of the supply received on
 *Dec 8th* 191 *5* , was read, and the Clerk directed to send
 a copy to the Medical Officer ~~(and also to the Contractor requesting an explanation).~~

Next Meeting of the Board of Guardians to be held on MONDAY, the *17th*
 day of *January* 191 *6*

Ordered that ~~an~~ Mr. George Burns an experienced plumber be employed to remove the obstruction.

Ordered that Tenders for 50 Sacks Potatoes be invited for 31st inst.

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

Read letter from the L. Govt Board dated 11th January 1916 No 1258/1916 stating that a formal direction should be obtained from the Board of Guardians regarding the question of allowing money in lieu of rations to Nurse Neeson.

On the motion of Mr. Kearney seconded by Mr. Devlin the Board approved of ^{a money} allowance of 9/3⁴ per week to Nurse Neeson in lieu of rations and also to Nurse Kelly who succeeded her, while both were acting in the capacity of substitute for Nurse McDermott during ^{her} 4 weeks' holidays.

Read Report from Mr. F. Nolan, Engineer, dated 12th January, 1916 regarding the improvement to the sewerage at the Infirmary and Female Idiot Ward stating that as the work was not a contract he sent no certificate. The work is well done as far as it goes but for a regular sewerage it could have some additions made in the details of the work in the way of more effectual trapping and more ventilation but if the Local Govt Board Inspector thinks it satisfactory as it stands there is no need for further expenditure especially as the present sewers are only used for ordinary slops - no water closets - and are well flushed with rain water.

The Clerk was directed to notify the Officers in the Infirmary and Female Idiot Ward to exercise the necessary supervision to prevent slops being emptied into the manholes.

On the motion of Mr. Jole seconded by Mr. Philip Kearney it was resolved that the relief in the Infirmary to Ellen Houters be given by way of loans and be charged at the rate of 2/6 per week from admissions and that the relief

to Thomas Campbell's daughter in the Fever Hospital be charged at the rate of 4/6 per week.

It was decided to allow the inmate Rose McMahon the boots she is wearing if she take her discharge and goes to Scotland.

On the motion of Mr. Philip Kearney seconded by Mr. P. J. Cole it was unanimously resolved that a deaf and dumb boy named John Doherty of Lullinstown who is at present on outdoor relief be sent to Labra Deaf and Dumb Institution for one year at a cost of £13 to the rates to enable him to receive some educational advantages.

On the motion of Mr. Cole seconded by Mr. Philip Kearney the following resolution received from the Gaelic League was unanimously adopted :-

"This meeting, representative of the Irish public and of Irish educational interests, protests in the most emphatic manner against any reduction by the Government of the funds for education in Ireland, and calls upon the Irish members of Parliament and all public representatives in Ireland to exert their influence to defeat this threatened alienation of funds from the Irish language and other branches of Irish education and to prevent any further attempts of the Treasury to curtail the already too meagre financial support given to education in Ireland."
