Letter from B. M. C. Nelis Sec. Donegal Teachers
Association enclosing the following resolutions
which were passed unanimously. viz

- A. That as the salaries of Irish National Teachers meagre as they were before the war are now altogether insufficient on account of the rapid increase in prices in some cases as much as 50 per cent and as the Irish National Teachers are the only large body of public servants who have ^{not} been granted a war bonus, we the members of the Donegal Association (membership 90) demand a war bonus of 7/6 per week for all National Teachers including Lay Assistants in Convent Schools and Junior Assistants' Mistresses whose salaries are less than £2 per week and 5/- per week for those whose salaries are over £2 per week
- B. That as the welfare of the Nation depends on the education of its people and as instruction cannot be expected to be zealously and energetically imparted by underpaid and discontented Teachers we call upon the Irish members of Parliament and all Irish Public Bodies to give in the interests of the nation all the support in the power to this just and reasonable demand

The cases of Provisional Relief and Applications for Relief were considered and decided on as set forth in the Application and Report Books.
