Wild Child Day

Discover the Natural World Around You

Saturday 23rd August 2025

Wild Child Day encourages children and young people all over Ireland to get outside and explore our natural heritage.

The Heritage Council is encouraging children to look at the world around them differently, to open their eyes to the diverse beauty of the landscape in their area and to get out and explore their locality or even farther afield.

This Wild Child Day, explore your local natural landscapes, learn about how we interact with nature and how we can create a sustainable environment for all flora and fauna.

Find all events for Wild Child Day 2025 at heritageweek.ie
